

# Massachusetts Flower Growers' Association Benefit Golf Tournament

Tuesday, August 10, 2010  
Cyprian Keyes Golf Club  
284 East Temple St.  
Boylston, MA

The Massachusetts Flower Growers' Association again is sponsoring a benefit golf tournament to raise funds for our scholarship research and promotional programs.

We're going back again to Cyprian Keys Golf Course. It is located in Boylston, MA, just North East of Worcester. It is a beautiful course and should be fun for all. It also has onsite a Callaway Performance Center!

It will be run as a scramble and start shotgun style at 9 am. We will have some fun golf contests where players of all skill levels can participate. Following the play we will have a fantastic barbeque with a raffle and many great prizes! No skill level required, come alone, or bring friends and employees. We'll have a lot of fun.

Thanks to your support, our scholarship fund is helping several young adults who seek to enter our industry someday. Our floricultural research projects and promotional activities provide benefits to all of us in the floriculture industry.
