Tournament**

Foundation For Educational Excellence**

The Massachusetts Flower Growers' Association is partnering with the MNLA Foundation once again to raise funds in support of our respective scholarship programs.

This is the 23rd Anniversary of this fantastic event. We will be holding the tournament at the Juniper Hill Golf Club, a beautiful 18-hole course with a super function facility. Join us for an event that has been great fun and very successful.

It will be run as a scramble and start shotgun style at 9:00 a.m. We will have some fun golf contests where players of all skill levels can participate. Following the play we will have a fantastic barbeque with a raffle and many great prizes! No skill level required, come alone, or bring friends and employees. We'll have a lot of fun.

Thanks to your support, these scholarship funds are helping young adults who seek to enter our horticultural industry someday. Support the MNLA and MFGA in this fundraising effort and join us on August 12th.
