29th Anniversary Benefit Golf Tournament

in partnership with Massachusetts
Nursery and Landscape Association
Foundation For Educational Excellence

After a Spring marked by a beginning that looked ominous and ended with historical sales, join us for a day of camaraderie and fun at our 29th Anniversary Benefit Golf Tournament. The MFGA is joined once again by the MNLA Foundation in sponsoring this tournament.

Held at Stow Acres Country Club, a 36-hole award-winning course in Stow, Massachusetts, this event has been recognized every year as the highlight of the summer for our industry. No skill level is required. Come alone or as a group from your business, bring friends and employees. We'll have a lot of fun.

The tournament is a scramble and starts at 9:00 a.m. There will be fun golf contests where players of all skill levels can participate. There will be a super raffle with many great prizes!

Thank you for your support. Funds raised help young adults who seek to enter our horticultural industry and support scholarships and the many educational programs both organizations sponsor.
