31st Anniversary Benefit Golf Tournament

in partnership with Massachusetts
Nursery and Landscape Association
Foundation For Educational Excellence

The Massachusetts Flower Growers' Association is partnering with the MNLA Foundation once again to raise funds in support of our respective scholarship programs.

This is the 31st Anniversary of this fantastic event. We will be holding the tournament at Stow Acres Country Club, an award-winning championship 18-hole golf course. Join us for an event that has been great fun and very successful.

It will be run as a scramble and start shotgun style at 9:00 a.m. We will have some fun golf contests where players of all skill levels can participate. Following the play we will have a fantastic barbeque with a raffle and many great prizes! No skill level required, come alone, or bring friends and employees. We'll have a lot of fun.

Thank you for your support. Funds raised help young adults who seek to enter our green industry and support scholarships and the many educational programs both organizations sponsor.

REGISTRATION

The cost to play is \$150 per person. Fill out and send this form to MFGA. Full driving range and practice greens are available prior to the start.
