MFGA 33rd Anniversary Benefit Golf Tournament

in partnership with Massachusetts Nursery and Landscape Association Foundation For Educational Excellence

The Massachusetts Flower Growers' Association is partnering with the MNLA Foundation once again to raise funds in support of our respective scholarship programs.

This is the 33rd Anniversary of this fantastic event. We will be holding the tournament at Juniper Hills Golf Club. The Riverside Course is best described as sporty, interesting and picturesque as the Assabet River winds its way through the course, providing a beautiful setting. Join us for an event that has been great fun and very successful.

It will be run as a scramble and start shotgun style at 9:00 a.m. with fun golf contests where players of all skill levels can participate. Following the play we will have a fantastic barbeque with a raffle and many great prizes! No skill level required, come alone, or bring friends and employees. We'll have a lot of fun.

Thank you for your support. Funds raised help young adults who seek to enter our green industry and support scholarships and the many educational programs both organizations sponsor.
