

Massachusetts Flower Growers' Association Membership Application

Member Eligibility

Active Members

Active membership shall be open to all persons within the Commonwealth of Massachusetts who own or lease 1,000 sq. ft. of greenhouse space (ex. 20 x 50 sq. ft greenhouse) or a minimum of 1/2 acre of land outdoors devoted to the commercial production of plants and/or flowers. They can be growers and retailers that produce and market bedding plants and/or spring plants, holiday and potted plants, cut flowers (greenhouse or outdoors) perennials, herbs). They can be wholesale growers, garden centers, farmers and farm stand operators or landscaping businesses.

Allied Trade Members

Allied Trade membership shall be open only to persons or businesses affiliated or related to the flower/plant industry but do not qualify as Active members. These Allied Trade members may be from in or out of state but must support our Massachusetts industry with programs, products or services for growing and marketing plants and/or flowers or provide assistance with business products like insurance or credit.

Supporter/Educator

This category is for individuals or educational institutions who are interested in the activities and information offered by the Association. Examples include: Educators, Schools, Students, former non active members who are out of the floriculture business. This category will be eligible to receive the Association newsletter via email and attend at a special rate any educational program.
